[S. Con. Res. 135]

CORRECTION IN ENROLLMENT OF H.R. 2330

Ante, p. 2067.

Resolved by the Senate (the House of Representatives concurring), That in the enrollment of the bill, H.R. 2330, the Clerk of the House of Representatives shall make the following correction:

At the end of the bill insert the following new section:

"URANIUM SUPPLY

Ante, p. 2080.

"SEC. 23. (a)(1) Not later than twelve months after the date of enactment of this section, the President shall prepare and submit to the Congress a comprehensive review of the status of the domestic uranium mining and milling industry. This review shall be made available to the appropriate committees of the United States Senate and the House of Representatives.

"(2) The comprehensive review prepared for submission under paragraph (1) shall include—

"(A) projections of uranium requirements and inventories of domestic utilities;

"(B) present and future projected uranium production by the domestic mining and milling industry;

"(C) the present and future probable penetration of the domestic market by foreign imports;

"(D) the size of domestic and foreign ore reserves;

"(E) present and projected domestic uranium exploration expenditures and plans;

"(F) present and projected employment and capital investment in the uranium industry;

"(G) an estimate of the level of domestic uranium production necessary to ensure the viable existence of a domestic uranium industry and protection of national security interests;

"(H) an estimate of the percentage of domestic uranium demand which must be met by domestic uranium production through the year 2000 in order to ensure the level of domestic production estimated to be necessary under subparagraph (G);

"(I) a projection of domestic uranium production and uranium price levels which will be in effect both under current policy and in the event that foreign import restrictions were enacted by Congress in order to guarantee domestic production at the level estimated to be necessary under subparagraph (G);

"(J) the anticipated effect of spent nuclear fuel reprocessing on the demand for uranium; and

"(K) other information relevant to the consideration of restrictions on the importation of source material and special nuclear material from foreign sources.
